# The Plaza Buildings, Seattle

## Class A office buildings in the heart of Bellevue CBD

### Location map

### Market dynamics and outlook

- Bellevue is the fifth largest city in the state of Washington, and the third largest in the Seattle metropolitan area
- Bellevue CBD is one of the fast growing metro due to strong demographics and forecast growth in various employment sectors (e.g. cloud)
- Seattle office market expected to remain strong in near future supported by large undersupply of office space and low vacancy rate. Large scale expansion of cloud and IT firms will also fuel the office market
- Office construction activity suggests developers' confidence about future demand. Office rents likely to remain high or increase as employment growth drives demand for office space

### Key landmarks / amenities

- The Bravern is a mixed-use project containing world class shopping, dining, entertainment and top-end residential accommodations

### Accessibility features

#### Roads

- Full block frontage along NE 8th street, the primary east-west arterial in downtown Bellevue that connects high-density commercial uses to Interstate 405

#### Train

- Close proximity to the Bellevue Transit Center Station and upcoming East Link Extension, which will provide connection from the East side's biggest population and employment centers to downtown Seattle, Sea-Tac Airport and the University of Washington

# Bellevue Technology Center, Seattle

## Modern office campus with diverse functionalities

### Location map

### Market dynamics and outlook

- Seattle's eastside suburban office market has historically been among the most active in the region due to its relatively large inventory of office space
- One of the strongest suburban markets in the Seattle area with low vacancy rates despite high construction activity
- East suburban market contains a large supply of more affordable class A inventory than Seattle CBD or the Bellevue CBD, which should be attractive to tenants seeking lower rents for high quality space

### Key landmarks / amenities

- Located just south of the Microsoft headquarters campus
- New ventures by Microsoft could result in increased demand for space office in the area by vendors and contractors who work with the software company

### Accessibility features

#### Roads

- Situated near State Route 520, which provides access to the greater Seattle region, including the Seattle-Tacoma International Airport and the entire Puget Sound region
- 148<sup>th</sup> Avenue NE and NE 40<sup>th</sup> Street provide residents and businesses access to the greater Seattle region

#### Train

- Close proximity to the East Link Extension of Sound Transit's Link Light Rail which is scheduled to open in 2023
- This line will run from Redmond to downtown Seattle through Bellevue and across the I-90 floating bridge

## Market dynamics and outlook

- Maitland is one of the largest office sub-markets in Orlando, which is dominated by technical, finance and insurance companies
- Robust job growth and in-migration expected to fuel demand for office space
- No significant pipeline development projects leaves few options for quality space and implies market conditions shifting to favour landlords
- Sub-market expected to experience stabilising vacancy over the next few years
- Rents are projected to increase as absorption outpaces projected construction completions

## Key landmarks / amenities

- 20 minutes drive to the Orlando Central Business District- thriving retail and office market that consists of theaters, galleries, museums and parks connected by public transit
